Why Motor Vehicle Taxes are different in different States?

Motor Vehicle tax is imposed by states and each State has their own State motor vehicle act, and the taxation is decided according to that.

Why do I get "No record found" message for my vehicle?

Currently, the facility has not reached all the States/RTOs. Also, there is a chance that not all the records have been migrated to online portal. Hence, it is suggested that you may visit your State Website/ Local RTO for help.

What is additional MV tax? Is it implied on all category of vehicles?

Additional Motor Vehicle tax is implied on the vehicle when certain parameters exceed the prescribed limit for the vehicle. For example – Unladen weight of vehicle exceeds 50000kg, etc.

(Applicable for Jharkhand only) I paid Motor Vehicle Tax for my vehicle; amount was debited but the receipt was not generated. Upon checking the pending transaction, I cannot locate any option for refund.

Refund option is only available for the same day of payment till 12PM. In any other case, please write to us ([Link of Contact Us here](#))

What are the other tax components?

Other Tax components recovered from vehicle owner are additional MV tax, environment tax, green tax, cess, road safety tax, Municipality Tax etc. These taxes may vary from state to state.

Do I need to pay tax when I'm is not using my commercial vehicle on road?

If the Transport vehicle is not on Road / Not in Use, then Vehicle owner can apply for Tax Exemption of non use period through concerned Transport department, process varies from state to state.

What is Motor Vehicle Tax and how it is decided?

In India, motor vehicle tax is imposed by state governments. The motor vehicle tax is calculated on the basis of various factors including engine capacity, seating capacity, unladen weight, laden weight and cost price of vehicle.

For how much time duration Motor Vehicle tax is paid and when?

Tax depends upon the type of vehicle For Non-Transport vehicle-Motor vehicle tax is taken at one time lifetime (15 years). After 15 years tax can be paid during the renewal of registration for 5 years period. In most of the state MV Tax for Non-transport

What forms are required while paying tax online?

There is no need of any form for paying tax online.

Why am I getting following alert message after entering vehicle registration number Alert! This service has not been activated for the concern State/RTO ?

Online tax payment facility is only available at selected State / RTO, as permitted by State Transport Department. Only a few States and its online RTO are covered under facility.

Which mobile number do I have to use to avail online Motor vehicle tax payment option?

Citizen can avail this facility by entering any mobile number, he/she will get OTP for confirmation of mobile number. After confirmation he/she can proceed further for payment process.

I am trying to pay Motor Vehicle tax but when I click on payment option nothing happens, a blank page is displayed.

Customer can retry for the payment after sometime and if the problem continues, he/she can contact Vahan Helpdesk for issue reporting.

I am trying to pay Motor Vehicle tax but after payment I am getting an error message, This transaction is failed please initiate new transaction.

If the amount is debited from the customer's bank account, he/she should wait as reconciliation could be pending from the bank side. Customers should keep checking high transaction status through Check pending transactions (as defined elsewhere in this FAQ)

Can user pay Motor Vehicle Tax online and where?

Yes, Motor Vehicle Tax can be paid from portal parivahan.gov.in or from State transport portal.

I am trying to pay Motor Vehicle tax online but transaction is showing pending.

This is because previous transaction of same vehicle must be pending, new transaction is not possible without complete settlement of previous pending transaction. Customer can check current status of transaction by going to Check Pending Transaction

I am trying to pay Motor Vehicle tax but getting message Alert!!! Vehicle is blacklisted.

If the vehicle is blacklisted then customer cannot avail any Vahan services like Tax for that vehicle.

To pay the road tax customer has to remove their vehicle from blacklist by contacting respective departments and then proceed with Vahan services.
